2.9 Definitions

CoE – 'Confirmation of Enrolment' - The CoE provides evidence of a student's enrolment with a provider registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). This evidence is required before Home Affairs will issue a student visa. The CoE contains information about the Provider, agent (if involved), course and duration of study in which the student has enrolled.

Deferment of enrolment - To defer or suspend enrolment means to temporarily put studies on hold (adjourn, delay, postpone). Providers do this by notifying the Department of Education, PRISMS of the deferment of enrolment. A student may request a temporary deferment to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension of a student's enrolment due to misbehaviour of the student.

Exclusion from class – when a student is not allowed to attend classes for a period of time but may access learning material offline.

Suspension from attending school - when a student is removed from school or class for a period of time. After a suspension, they will return to school or class. When considering suspending a student, the Principal must take into account the disruption to your child's learning, their disability, home circumstances, educational needs.

Suspension of enrolment - To suspend enrolment means to temporarily put studies on hold (adjourn, delay, postpone). Providers do this by notifying the Department of Education, through PRISMS of the suspension of enrolment. A student may request a temporary suspension to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension of a student's enrolment due to misbehaviour of the student. It is important to note the meanings of the terms for this context – suspension of enrolment is not necessarily due to misbehaviour – suspension of enrolment may also be initiated by the student.

Cancellation of enrolment - The provider notifies the Department of Education through PRISMS that it wishes to permanently cancel (terminate) the student's enrolment. Once this process is complete, the student's CoE status will be listed as 'cancelled'.

PRISMS - The Provider Registration and International Student Management System (PRISMS) is the system used to process information given to the Secretary of DEST by registered providers.

Day – any day including weekends and public holidays in or out of term time.

Extenuating circumstances - if the student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

Examples include:

- the student refuses to maintain approved welfare and accommodation arrangements (for students under 18 years of age)

- the student is missing
- the student has medical concerns or severe depression or psychological issues which lead the school to fear for the student's wellbeing
- the student has engaged or threatened to engage in behaviour that is reasonably believed to endanger the student or others
- is at risk of committing a criminal offence, or
- the student is the subject of investigation relating to criminal matters.
