- 4th Child – 40%
- 5th Child – 50%

Conditions of Registration

For student travel on days or times other than registered, parents must check the availability of seats beforehand with Girls Grammar by calling Reception on **(07) 4930 0900**. For a morning journey, contact must be made the day before the bus is required. This is a requirement to ensure the safe travel of all students.

Once registered for the bus run, a seat is allocated to your daughter/s and is therefore not available to other students. Due to this, the above fees are fixed and no credit is available for times when students do not catch the bus. This seat allocation will apply until you complete another registration form or apply in writing to the school.

Registration Form

To register your daughter/s for the Gracemere Bus Run, please complete student details and bus days below.
